

Book vs. Movie – Compare and Contrast

As you watch the movie, write down the similarities and differences you notice between the book and the movie. After watching, explain how each difference changed the story.

Finally, think about how reading the book before the movie affected your understanding of the story.

Similarities	Differences	How Did This Change the Story?

How did reading the book first impact your understanding of the story told in the movie? How would your understanding have been different if you had not read the book first? Explain.
